Facials & Skincare

\$65 Facial: Deep cleaning and relaxing facial designed just for you. Your *Facial* will include skin analysis, cleansing, exfoliation and a mask for your skin type will be applied. This treatment is followed by a massage to your face, neck and décolleté. Completed with eye-gel, moisturizer and lip balm.

\$50 Diamond Duo: A Glycolic acid peel followed by the Diamond-Tone Wand microdermabrasion fast results in 30 minutes leaving your skin soft and glowing

\$70 Deep & Clean Facial: *Facial* with extra attention paid to extraction of black-heads and milia—restoring a soft, smooth skin.

\$75 Back Treatment: The deep cleansing of a *Facial* dedicated to the hard to reach area of the back and neck. A favorite for both men and women.

Microdermabrasion

\$95 Diamond-Tone Wand: This treatment removes the top most layer of skin by polishing it with natural diamond chips, removing build-up and dullness—allowing your skin to return to a bright, clean and fresh complexion. You will also find after microdermabrasion your skincare products will be more effective to hydrate and nourish your skin.

Vitalize Chemical Peel

\$130 Vitalize Peel: A unique blend of acids that are self-neutralizing. Giving you a safe, effective, reliable exfoliation, regenerating a new healthy skin. You will see improved skin tone and texture with a decrease in pore size. *Vitalize Peel* is ideal for sun-damaged and acne-scared skin. You will have little down time.
